http://www.ebay.com/sch/nostromo2115/m.html?_trksid=p3692	<p>We do not think he is a recaster but he buys and sells recast kits (busts) at certain model shows in the UK - mainly from Young, NutsPlanet, Galapagos, ForgeWorld... Ebay shop closed. Not sure if he also goes by the Seller ID "gallhun" which has no item listings either.</p>
	<p>These details go back to 2014 Probably not a recaster but tends to claim chargebacks on his credit card. Also resells individual items on Ebay at a cheaper price.</p>
